**Dear Market stall holder**

Expressions of interest are invited for a Market Stall site at the 2017 National Celtic Festival to be held over the Long Weekend, **9 - 12<sup>th</sup> June 2017**, at **Portarlington** on Victoria's beautiful Bellarine Peninsula.

The National Celtic Festival is celebrating its fifteenth year at Portarlington - the ideal location for a weekend of Celtic music, dance and culture, fine wine and cuisines. The Festival organisers expect approximately 12,000 + people to attend over the long weekend.

The Festival site includes the outdoor Market area around the main venues. Market stalls are accessible to ticketed Festival patrons, day trippers & the community, a list of all the stalls will be posted on the NCF website and the Festival is a great place to show your wares and meet our visitors and Festival patrons.
